Rejoicing!

Posted: 18 Sep 2021 05:44 AM PDT

Last month 11 people, young and old, were baptized at Bethlehem Baptist in Moldova. They celebrated, and we are celebrating with them! The service lasted for three hours. People kept wanting to tell more or sing just one more song . . .

We are praising God for these new believers. We are also praying with the local church for the new believers to continue growing in faith and to find their place of service in the church.
