

## The Eye Clinic is open for Business

Dear Loved Ones,

Greeting and peace to all of you. May we all find one or two reasons to be thankful as we all prepare to celebrate

Many people have been calling/emailing to check if the eye clinic has been closed or it still is open in light of gas

In spite of all that we read, we hear, and we watch on TV that is happening in our beloved Haiti, the eye clinic is

went to our house in Limbe to take the whole drum of 200 gallons of diesel we keep as reserve for our ministries

our beloved patients who trust and have trusted our eye clinic for their eye care.

Here are the statistics of their activities for the months of September and November.

September:

559 patients seen.

102 glaucoma tests performed.

19 cataract operations realized.  
5 pterygion operations.

October:

335 patients seen

43 glaucoma tests done

11 cataract operations realized

Thank you for keeping the staff in your love and in your prayers as they risk their life in the name of the one who

Dear Supporters,

I marvel at the loyalty and courage of the eye clinic personnel. Haiti has had tough times before, but this time the  
and danger from the lawless who take advantage is great. Please pray for their safety as they keep serving those
