[Thankful for Jesus Film Project](#)

Posted: 25 Nov 2021 05:33 AM PST

Last week we did something unusual. We traveled outside the country--all of two hours to Antwerp, Belgium. We are grateful to the coordinators of the Flemish Jesus film project, Campus Crusade/Agape personnel Elaine (pictured with Keith) & Ralph Elliott. They hosted us with grace and introduced us to people and plans with contagious warmth and enthusiasm.

We are also thankful for the people at the Operation Mobilisation center outside Brussels. The director (far right) had requested a version of the Jesus film in Flemish even though a version already exists in standard Dutch.

He and the others there helped set up their recording studio for us to use. We did some trial recording, mainly for casting purposes.

Flemish is related to Dutch but different. And people in the Flemish-speaking region of Belgium are also related, but different. We look forward to learning more before and during this recording. The script and the cast should be ready by February.

A big thank you to all who prayed with us last week--and who have supported this work in prayer for the past 25 years!
