

Mobile Eye Clinic on the road

Dear Loved Ones,

Greeting. In our recent journal, we told you of the eye clinic driver going to our house to pick up the reserve of
In a country where everything is risky, the staff of the eye clinic are risking their life to help the less fortunate.
Wednesday November 10, the team drove to Ouanaminthe and on Friday November 12 they went to Limbe. In
57 reading glasses.

Among those consulted was Mr. Cadet Edner 104 years old.

All those patients would not have had the chance to be consulted at home without your love and your support

Thank you for not giving up on our beloved Haiti.
